PRESIDENT'S CORNER

Like most of you, I spend a good amount of my free time in my shop. I am always eager to listen to a fellow woodworker, hoping I'll pick up a new idea or tip to make my woodworking more enjoyable. At the October meeting, I picked up several helpful steps from Sal Marino. His attention to detail and ability to explain complex things made sharpening seem simple. Thanks Sal.

Twenty-five fellow wood lovers journeyed to New Jersey for a seminar with Frank Klausz which in a word was **Spectacular**. The opportunity to spend a day with this master, learning new joinery and finishing techniques was simply special, a day that I and 24 others will fondly remember.

The toys have already begun rolling in for our annual Toys For Tots program. This year we will add a little incentive to make a toy or two. Rather than judging toys as we did last year, we will have a special raffle for those who contribute a toy. You'll get one raffle ticket for each toy you contribute. There will be several prizes awarded. For those unsure of what to make, we will make plans available at the November meeting. So get busy and bring those toys to our December meeting.

Please note the date change of our November and December meetings to the 3rd Wednesday of the month. Till then - I wish you many hours of safe and enjoyable woodworking.

Bob Wessmiller

WEDNESDAY, NOVEMBER 18TH

Tony Scotti from Ryobi tools will be on hand to discuss his company's line of tools. Ryobi has recently introduced several new tools that I am certain you'll find very interesting. He will be just in time for you to leave those little hints around the house about which tools you would like to have this Christmas.

UPCOMING EVENTS:

DECEMBER 16th - ANNUAL CHRISTMAS PARTY TOYS FOR TOTS PROGRAM

FEBRUARY 6th and 7th - WOODWORKING WORLD - The Long Island Show, Hofstra University - Hempstead. Note new date.

RAFFLE

November Raffle: Record Adjustable Tool Stand. This is a heavy duty ball bearing roller stand that works great with your table saw, etc. It's a \$40.00 value and chances are just \$1.00. Good Luck!

SPECIAL THANKS

A four drawer file cabinet has been donated to house our magazines and video library. This new addition will keep our new librarian, Steve Luongo, very organized. Steve is available to offer books or video's on a variety of subjects and we are planning to add several new video's in the near future.

MEMBER DUES

PLEASE NOTE: This is a final notice. Members who have not paid their 1992-93 dues must do so now. Dues are \$15.00, of which \$5.00 is used to offset the costs of the newsletter. After this issue of the newsletter only paid members will receive the newsletter.
