

THE WOOD RACK

WOODWORKERS' LONG ISLAND CLUBdedicated to the pursuit
of excellence in woodworking.

NEXT MEETING..... WEDNESDAY JUNE 7th 6:30 P.M...... at
THE SMITH TOWN BARN..... ANNUAL
BARBECUE and PROJECT DISPLAY.

Once again Summer is upon us along with the end of our season. As in the past we will mark the occasion with our yearly BARBECUE and PROJECT DISPLAY. The club will break with past tradition by making the barbecue FREE to all members and their guests. So bring your appetites and help spread some friendship and goodwill, but leave your wallets home.

Also scheduled for the evening will be our yearly display of your projects. You can select to just display your works or to have them judged by fellow club members. Projects being judged will be eligible for prizes and ribbons. There will be separate tables for displayed and judged works.

NOMINATION of OFFICERS..... The members of the Nominations Committee,
Bob Eilbacher, Charlie Felson and Steve Luongo have been busy developing a slate of Club Officers for next year. The positions and candidates are:

PRESIDENT	Bill Hermancek
VICE-PRESIDENT	Howard Whitman
TREASURER	Joe Pascucci
SECRETARY	Jackson Lowell
LIBRARY	Steve Luongo - Chair Ken LeGrow - 1st Assist
NEWSLETTER	_____ - Chair Jackson Lowell - 1st Assist
PROGRAM COMMITTEE	Howard Whitman - Chair _____ - 1st Assist.
TRUSTEES at LARGE	Brian Haywood Roger Schroeder

Along with asking you to approval the slate of nominees we also need volunteers to fill vacant slots and to participate on various committees. This is your CLUB and it can only work with your help.

ELIMINATION of CLUB DISCOUNTS Woodworkers' Warehouse has informed us that they have discontinued offering our Club membership a discount at their stores. The reason they cite for the termination is that a couple of the Club's members were abusive to their sales staff. Apparently these members purchased items prior to informing the salesperson of their membership and the courtesy discount available to them. After the sales were rung up these members announced their club affiliation and demanded their discount. This was done both loudly and rudely according to the contact management person who had agreed to the discount.
