Join the Excitement!

The Long Island Woodworkers are excited to report that we will be having our annual show at a fantastic new location: The Cradle of Aviation Museum in Garden City, NY. We invite you to join us.

Who we are:

The Long Island Woodworkers (LIW) is an association whose members share a common interest in woodworking. Membership is open to persons of all skill levels, from beginners to professional. Current membership is approximately 175 members. More info can be found at liwoodworkers.org

Our Annual Show:

Each year we host a show highlighting the work that our members have completed in both the current year and past years as well. A portion of the projects are judged, and ribbons awarded. Additionally, the show has live demos, vendor booths, a gift shop, toy workshop, woodworking seminars and a used tool sale. Attendance at the show has reached close to 1000 visitors in past years and we anticipate a significant increase at our new venue. Photos of our past show can be seen at:
