

Steve Meltzer's Chip carving class APRIL 20TH 2024

Join master wood carver, Steve Meltzer on Saturday, April 20th in which you will get the opportunity to learn the art of chip carving. Steve has over 50+ years of woodworking experience where most of that time was working at the Steinway piano factory making custom pianos and making the custom carvings. You don't want to miss out on this opportunity to learn a simple form of carving with basic carving tools.
